victor, and Luther Jones of Belle Glade, winner of the fourth flight all signified their intentions of trying for the handicap title by handing in their entries.

The handicap committee consisting of Johnny Thomas of Pahokee, Arthur Wells of Belle Glade and Emmett Shelley of Clewiston met with Don Young, Clewiston professional, last Tuesday to adjust and assign handicaps and arrange play. It is expected that the system of flights will allow each entry at least two, and possibly three, rounds of match play competition for his entry fee.

Entries will close and drawings made at the Clewiston club Saturday evening, with the first round of match play beginning Sunday, March 20, and continuing over the following Sunday. Thereafter, one round of match play will be run off each week. Greens at the club are being fertilized and top-dressed this week in preparation for what is confidently expected to be a much larger and active competition than the meet just closed.

Entries closed Sunday evening with Belle Glade showing 17, Clewiston 16, and Pahokee 2. Entries received up to that time were:

Belle Glade: Arthur Wells, John Harris, John Hood, Robert Creech, Louis Solimonte, W. R. Dickinson, H. J. Harris, H. J. Stein, Mrs. H. J. Stein, H. C. VanLandingham, E. M. VanLandingham.

ham, Lou Betzner, O. G. McWhorter, Mrs. O. G. McWhorter, Dr. W. J. White, Luther Jones, B. Jones.

times on the average field any way.

A new variety of English pea, which officials of the station claimed would outyield the Little Marvel, present major pea crop in this area, was also shown. The field was not yet ready for harvest, and net yield could not be readily ascertained, but the officials said that the crop was a faster one than the Little Marvel and better for canning purposes. Unbleached cotton from the station plot was distributed to the growers by officials who asked that they take note of the quality of the product, and take notes on the fertilizer used and the way in which the soil was cultivated on which it was grown.

Cabbage, one of the main crops of the Everglades, was inspected on 10 different patches, each of which had been given different fertilizers and in a different manner and proportion.

AIR MAIL WEEK SET FOR U. S. MAY 15-21

Postmasters and business leaders throughout Palm Beach county were asked Wednesday in a letter from William D. Jones, state chairman, to co-operate in making National air mail week, proclaimed by President Roosevelt as May 15-21, the largest in the history of the present administration.

Civic clubs were specially requested to stress the importance and speed of air mail in an effort to further build up this feature of the present administration. The program, use of planes for speed of deliveries has increased approximately 100 per cent.

Detailed information has not yet been released by national headquarters, but advance publicity for the department drive was launched last week in Washington.

Delegates Named For School Meet

Importance of Palm Beach county public school teachers attending the annual session of the Florida Educational Association in Tampa at the Hillsborough hotel March 24-25-26 was stressed by Canal Point Principal J. B. Taylor yesterday afternoon at a faculty meeting in the school auditorium.

At the meeting Mrs. Wilma Leake was notified of her selection as delegate to represent Canal Point school teachers at the convention. While she is the chosen representative, it was pointed out that she will not be the only one to attend from here. Approximately all of Canal Point's teachers are expected to attend.

At the same time Principal Cox announced that teachers at the Pahokee school had chosen P. E. Walker, principal, and Miss Minnie Callaway to officially represent that school at the three-day session.

Principal Cox also stated that the county-wide holiday voted by pupils on March 25 was not voted by the county principals, but instead fixed by vote of the county school board.

Cox also pointed out that he was but one of ten who were delegated by the county school board to represent the county at the session.

Canal Point P. T. A. Installs Officers

Officers of the Canal Point Parent-Teacher association were inducted into office Monday night at the regular monthly meeting. Mrs. O. D. Taylor will serve another year as president and Mrs. S. B. Jordan and J. B. Cox will serve as vice presidents. Other officers who took up their new duties were: Miss Lois Moses, secretary; Mrs. Lee Kimball, treasurer; Mrs. M. A. Super, auditor; J. S. Chastan, historian and Miss Helen Phillips, public relations. Paul Rardin was in charge of the installation ceremony.

An interesting program was rendered and several bills were passed at the business session. The organization has had a healthy growth during the past year and plans were completed for the coming year's work.

The president, Mrs. Taylor, announced that the mimeographing machine had arrived and was in the school, and invited the patrons to stop in and view the latest purchase for the school by the P. T. A. This machine is automatically fed and has every appearance of being most efficient. It will be used in the next issue of the school paper, which will come out April 1.

Mrs. Taylor commended the cooperation and efficient work of the officers and committees during the past year and urged full cooperation from the newly installed officers for the coming year.

The P. T. A. will sponsor a locally produced play on April 29. The title will be announced later.

Refreshments of lemonade and cookies were served to approximately 40 members by Mrs. Betty Sims, Mrs. B. C. Sims and Mrs. Ira Lunn.

HISTORY REPEATS

On April 7, 1788, the first settlers landed at the junction of the Matanzas and Ohio rivers. This Spring, 150 years later, another batch of "Pioneers" will arrive—those to—supplies—black famous landing, which was at Marietta, Ohio, celebrating the first settlement in the Ohio Territory.

P. T. A. NETS \$110 ON MUSICAL COMEDY GIVEN LAST WEEK

Mrs. J. E. Cochran, Sr., president of the Pahokee Parent-Teacher association, last week announced that \$110 was cleared from the musical comedy, "Cost to Coast," which was presented by that organization in the school auditorium last Thursday and Friday nights. The proceeds will be used to further work of that organization.

The play, using a cast of more than a dozen Pahokee business men and women, was presented under the personal direction of Miss Nancy Kerr, former actress of New York.

The baby contest in conjunction with the play was won by Little Hensley Lovett, daughter of Mrs. and Mrs. Henry S. Lovett, and Little Milton Wilson, son of Mrs. and Mrs. Rowelle Wilson.

A cast of the play included Mrs. J. V. Pourmy, W. H. Willis, Mrs. Browning Houch, Mrs. A. H. Dutton, Mrs. W. Harper Kendrick, Maurice Fletcher, Mayor John A. Dulaney, R. Benson, George Ramsey, Thaddeus Wadden, Harry Waldschlager, Rupert Mock, Mrs. Willard Smith, Mrs. Eva Carroll, Mrs. R. S. Douthat, Mrs. Earl Meredith, Miss Clark Hull, Mrs. Arndt Holt and Miss Eloise Reynolds.

THE QUEST

A FABLE OF FLORIDA

Discovery of Interior Florida!

The commander of an expedition arriving at the mouth of the St. Johns River in 1666, Rene de Laudonniere, was determined to found a refuge for Protestants, a colony for France. His men, however, soon broke away from the hand of the commander, following rumors of treasure hoarded waist high upon the ground, they explored much of the St. John's length. And their descriptions of the beautiful inland waterway led to later colonization and settlement of interior Florida.

In today's quest for happiness there are thousands who have discovered the joyful, relaxing, and find it true economy. You, too, can discover how this improved lighting aids happier living by visiting your electrical dealer. New model lamps are now on display.

A LOT OF CAR for a VERY LOW PRICE

The Ford effort to make you dollars buy a constantly better car is well illustrated in the Standard Ford V-8.

It has all the basic Ford advantages. It is built on the same chassis as the De Luxe Ford V-8. It gives you a choice of smooth 88-horsepower or 60-horsepower V-8 engines. But it sells at low prices, and includes bumpers, spare tire, cigar lighter, toothbrush and other equip-

ment that make it a still bigger bargain. With the thirty 60-horsepower engine, the Standard Ford V-8 is priced especially low and gives the greatest gas mileage in Ford history. Hundreds of owners report averages of 22 to 27 miles a gallon—or even more.

Your pocketbook will approve of the Standard Ford in every way. And so will you when you drive it!
